Introduction

We gather and use certain information about individuals in order to provide products and services and to enable certain functions on this website.

We also collect information to better understand how visitors use this website and to present timely, relevant information to them.

What data we gather

We may collect the following information:

- Name and job title
- Contact information including email address
- Demographic information, such as postcode, preferences and interests
- Website usage data
- Other information relevant to client enquiries
- Other information pertaining to special offers and surveys

How we use this data

Collecting this data helps us understand what you are looking from the company, enabling us to deliver improved products and services.

Specifically, we may use data:

- To improve the products and services we provide.

- For our own internal records.
- To contact you in response to a specific enquiry.
- To customise the website for you.
- To send you promotional emails about products, services, offers and other things we think might be relevant to you.
- To send you promotional mailings or to call you about products, services, offers and other things we think might be relevant to you.
- To contact you via email, telephone or mail for market research reasons.

Cookies and how we use them

What is a cookie?

A cookie is a small file placed on your computer's hard drive. It enables our website to identify your computer as you view different pages on our website.

Cookies allow websites and applications to store your preferences in order to present content, options or functions that are specific to you. They also enable us to see information like how many people use the website and what pages they tend to visit.

How we use cookies

We may use cookies to:

- **Analyse our web traffic using an analytics package.** Aggregated usage data helps us improve the website structure, design, content and functions.
- **Identify whether you are signed in to our website.** A cookie allows us to check whether you are signed in to the site.
- **Test content on our website.** For example, 50% of our users might see one piece of content, the other 50% a different piece of content.
- **Store information about your preferences.** The website can then present you with information you will find more relevant and interesting.
- **To recognise when you return to our website.** We may show your relevant content, or provide functionality you used previously.

Cookies do not provide us with access to your computer or any information about you, other than that which you choose to share with us.

Controlling cookies

You can use your web browser's cookie settings to determine how our website uses cookies. If you do not want our website to store cookies on your computer or device, you should set your web browser to refuse cookies.

However, please note that doing this may affect how our website functions. Some pages and services may become unavailable to you.

Unless you have changed your browser to refuse cookies, our website will issue cookies when you visit it.

To learn more about cookies and how they are used, visit [All About Cookies](#).

Controlling information about you

When you fill in a form or provide your details on our website, you will see one or more tick boxes allowing you to:

- Opt-in to receive marketing communications from us by email, telephone, text message or post.
- Opt-in to receive marketing communications from our third-party partners by email, telephone, text message or post.

If you have agreed that we can use your information for marketing purposes, you can change your mind easily, via one of these methods:

Sign in to our website and change your opt-in settings.
Send an email to sales@excel-printing.co.uk.
Write to us at: Excel Colour Print, Goshawk Road, Quarry Hill Ind. Park, Ilkeston, Derbyshire. DE7 4RG.

We will never lease, distribute or sell your personal information to third parties unless we have your permission or the law requires us to.

Any personal information we hold about you is stored and processed under our data protection policy, in line with the Data Protection Act 1998.

Security

We will always hold your information securely.

To prevent unauthorised disclosure or access to your information, we have implemented strong physical and electronic security safeguards.

We also follow stringent procedures to ensure we work with all personal data in line with the Data Protection Act 1998.

Links from our site

Our website may contain links to other websites.

Please note that we have no control of websites outside the [domain name] domain. If you provide information to a website to which we link, we are not responsible for its protection and privacy.

Always be wary when submitting data to websites. Read the site's data protection and privacy policies fully.

Email Mailing List & Marketing Message

We operate an email mailing list program, used to inform subscribers about products, services and/or news we supply/publish. Users can subscribe through an online automated process where they have given their explicit permission. Subscriber personal details are collected, processed, managed and stored in accordance with the regulations named in 'The policy' above. Subscribers can unsubscribe at any time through an automated online service, or if not available, other means as detailed in the footer of sent marketing messages (or unsubscribe from all Mailchimp lists). The type and content of marketing messages subscribers receive, and if it may contain third party content, is clearly outlined at the point of subscription.

Email marketing messages may contain tracking beacons / tracked clickable links or similar server technologies in order to track subscriber activity within email marketing messages. Where used, such marketing messages may record a range of subscriber data relating to engagement, geographic, demographics and already stored subscriber data.

Our EMS (email marketing service) provider is; [EMS provider] and you can read their privacy policy in the resources section.

External Website Links & Third Parties

Although we only look to include quality, safe and relevant external links, users are advised to adopt a policy of caution before clicking any external web links mentioned throughout this website. (External links are clickable text / banner / image links to other websites)

Shortened URL's; URL shortening is a technique used on the web to shorten URL's (Uniform Resource Locators) to something substantially shorter. This technique is especially used in social media and looks similar to this (example: http://bit.ly/zyVUBo). Users should take caution before clicking on shortened URL links and verify their authenticity before proceeding.

We cannot guarantee or verify the contents of any externally linked website despite our best efforts. Users should therefore note they click on external links at their own risk and we cannot be held liable for any damages or implications caused by visiting any external links mentioned.

Social Media Policy & Usage

We adopt a Social Media Policy to ensure our business and our staff conduct themselves accordingly online. While we may have official profiles on social media platforms users are advised to verify authenticity of such profiles before engaging with, or sharing information with such profiles. We will never ask for user passwords or personal details on social media platforms. Users are advised to conduct themselves appropriately when engaging with us on social media. There may be instances where our website features social sharing buttons, which help share web content directly from web pages to the respective social media platforms. You use social sharing buttons at your own discretion and accept that doing so may publish content to your social media profile feed or page. You can find further information about some social media privacy and usage policies in the resources section below.
